How to install the theme:

The theme can be uploaded in two ways:

1) FTP Upload: Using your FTP program, upload the non-zipped pk2012_sold folder into the wp-content/themes folder on your server.

2) WordPress install: Alternatively, take the zip file of the pk2012_sold folder and upload it via WordPress. You must go to Appearance > Themes and click Install Themes, then Upload. (Image 1)
